Message from President's Desk

Padma Shri Dr. Punam Suri
President, DAVCMC, New Delhi

Being a Davian means to be both – a dreamer and an achiever. Without dreams, we cannot hope to become a better version of ourselves and without achieving them, we cannot make any real impact. We are rooted in an educational history which goes back, not even to decades, but centuries. As we carry this honour through our identity as a DAVian, we must remind ourselves to dream higher and achieve better. Let us continue to ask ourselves what more we can do and how much better we can be. Identify your goals and live each day in their pursuit. Forge deeper bonds and strengthen that sense of pride. Let us continue to move forward, together!

Om Shanti!

Dr. JP Shoor, Director, PS-1,
DAV college managing committee,
New Delhi

Shri Ramesh Kumar Leekha,
Secretary, DAVCMC, New Delhi
Chairman, DAVPS, Bistupur, Jamshedpur

Message from Principal's Desk

Dear Stakeholders,

Arya Pranam,

The academic performance of our students was fantabulous for the session 20 22,23. It calls for a grand & symphonic celebration. The 2023 Batch was super special as they were the ones who faced the pandemic during their most crucial years of schooling .

The hard work and perseverance of teachers was instrumental in bringing them here today . Accolades is here to recognise the efforts we made every moment to bring out the best in our children. We are presenting here all the results of of Public Examinations taken by our children for Class X , XII and other Professional college entrance exams.

We at DAVPS Bistupur Jamshedpur try to bring out the best out of small changes we bring in every day to make our students outperform themselves. We encourage all to run their own race and enjoy the journey towards excellence.

Regards

Pragya Singh
Principal

DAV PUBLIC SCHOOL, BISTUPUR, JAMSHEDPUR SCHOOL PROFILE

“The road to freedom- here and everywhere on earth - begins in the classroom”.

ABOUT SCHOOL :

“The main aim of education is to create human awareness, so that they can understand the difference between the truth and untruth.” Swami Dayanand Saraswati.

DAV Public School, Bistupur was established in the year 1995, in the heart of the Steel City, Jamshedpur, with 500 students and 18 teachers to bring about a balanced and harmonious development of the future citizens of the country and to infuse in them the ideals of Vedic culture. The school functions under DAV College Managing Committee which has contributed to nation building by pioneering private initiation. For over two decades, DAV Public School, Bistupur has made an indelible mark in the world of meaningful education by focusing on creating truly global citizens who are capable to adapt and deal with the demands of the 21st century. The school is affiliated to Central Board of Secondary Education (CBSE).

VISION OF THE SCHOOL:

To transcend the school towards global excellence fostering human values.

MISSION OF THE SCHOOL:

Setting up global trends in teaching & learning to promote critical thinking & Innovation as a preparation for dynamic and inclusive society anchored on DAV philosophy.

GUIDING PRINCIPLES:

- ◆ Holistic Learning
We believe that each child is unique and learns differently. We ensure our students have a well-rounded education with a focus on spiritual, mental, social, natural, emotional, creative and physical well-being.
- ◆ Creativity and Critical Thinking
The curriculum focusses on developing a child's imagination and giving room for critical thinking and creativity to flourish by offering thoughts and opinions.
- ◆ Life-long Learners
We want our students to be life-long learners and we encourage curiosity and inquiry through experiential learning, art-integrated learning, activity-based learning and project-based learning, leading to education that goes across and beyond the text.

INFRASTRUCTURE:

Stretched across 6 acres of lush green land and 13,582 sq m of strong built-up area, the school serves the educational needs of students coming from diverse cultures, thereby translating their dreams into reality. The school has a strong infrastructure comprising of 4 buildings, 90 class rooms with LCD projectors and computer. 2 Audio-Visual halls, 2 multipurpose halls, 6 well equipped labs, Atal Tinkering Lab, well stocked library with 23 magazines. 10 journals and 24,774 books, a Music Hall with Indian and Western musical instruments, an infirmary, an Art room, 1 basketball courts, Games room and a playground spread over 1.6 acres. Outside classrooms on each floor, we have provision for water coolers that supply cold water to students at all times.

In the academic session 2022-23, with an enrolment of 4211 students and 117 professionally committed, goal oriented, innovative and inspiring teachers and 41 sub-staff, under the visionary leadership of the Principal, students passed with flying colours and also cleared the different competitive national/international entrance examinations to study in India and abroad.

With a vision to cultivate one million child innovators in India, Atal Innovation Mission by NITI Aayog and Government of India envisaged a novel programme - establishment of Atal Tinkering Laboratories in schools across the country. Our school is also a part of the mission which creates a novel environment to foster scientific temper, innovation and creativity amongst students.

PEDAGOGY:

The school follows the curriculum designed by DAV Centre for Academic Excellence for classes LKG to VIII and the curriculum mandated by India's Central Board of Secondary Education (CBSE) for class IX to XII.

NEP 2020 is helping to build a generation of students who are well equipped to navigate the challenges of the 21st century and make a positive impact on the world. Keeping this in mind we have adopted a teaching methodology centred on the '4Cs' – the 21st century skills of Communication, Collaboration, Creativity and Critical Thinking. The focus is on using innovative practices to promote self-learning and independent thinking.

The curriculum that we offer in Nursery is a happy blend of child oriented and teacher centred methodologies which focus on play way method. This helps our little ones to develop their personal, social, behavioural, intellectual, communication and motor skills. However, the main focus for Pre-Primary students is on communication skills. All teaching strategies incorporate LSRW (listening, speaking, reading and writing), in that order.

In Primary classes (I-V) we encourage active collaboration and inclusive education to work effectively with others to achieve common goals. In the Middle School (Classes VI-VIII), we practice Integrated Learning, which fosters creativity to help them think out of the box and come up with new and innovative solutions to the problems they will face in future.

The Senior School (Classes IX-XII) curriculum enhances critical thinking skills through observation and self-reflection. Assignments are designed based on Bloom's Taxonomy, to help students develop problem-solving skills and to apply what they have learned in real world situations. It encourages decision making and aims at creating global citizens and leaders of tomorrow.

We use experiential learning across the board, where students are immersed in an experience and then reflect on it to develop new skills, attitudes, and ways of thinking.

Art Integrated Learning is a model of teaching that places emphasis on learning through and with the arts. Rather than rote-learning through texts and focusing solely on the written aspects, AIL makes room to learn creatively and engage with the concepts and themes in a more experiential and hands-on approach.

COMMITTEES:

We have various committees like admission committee, examination committee, time table committee, purchase committee and catering committee. to look after various requirements of the school thereby helping in the smooth functioning of the school. Along with the Principal, the heads of all committees play an important role in the administration of the school.

FACILITIES OFFERED:

In synchronization with the changing scenario and digital world the school has the facilities for more accurate, speedy and transparent transactions like Online Payment of Fee. Online form filling, downloading of admit cards and selection letters, availability of information on a single platform to the outside world through the school website. davbistupur.org. We have various communication forums like 6 PT meetings throughout the academic session, interaction of parents with teachers through prior appointments and WhatsApp media. Enabling the school with Wi-Fi and installing the LCD Projectors and Computers helped the school to take a big leap into the technological pedagogies of teaching-learning, in the year 2016. Ensuring safety and security of the school, it adheres to all the guidelines of CBSE by installation of CCTV cameras in all the classrooms and strategic areas with the day-to-day recordings of the activities thereby.

ADMISSION:

Admission to DAV Public School, Bistupur School is purely on the basis of merit. The selection of candidates for admission in Nursery is through Manual lottery system. Entrance exam is conducted for admission in STD.XI in the month of December every year. For the classes in between, lateral entry is permitted only if vacancies are available. It is mandatory for the applicants to fulfil the eligibility norms prescribed by CBSE.

CAPACITY BUILDING PROGRAMS:

Capacity building programs are conducted twice a year under the aegis of DAVCAE, New Delhi, to cover the 25 hours mandatory Inhouse training. It facilitates the teaching faculty to enrich and equip with the latest methodology. In addition to these capacity building programs the school also sponsors teachers for attending training programs conducted by CBSE at Delhi. Teachers also attend 25 hours CBSE training programmes to enhance their understanding of curriculum and delivery mechanism and other professional qualities.

INTER SCHOOL EVENTS

The school organizes inter school mega events like 'AURORA', 'ECSTASY' and 'BIOLOGY FEST' where children from different city schools display their innovative ideas, talents and versatility. DAV BISTUPUR MODEL UNITED NATIONS (DBMUN) is organized to encourage students to be aware of the problems of the world, inculcate universal brotherhood and become potential leaders of tomorrow. 'DAV NATIONAL SPORTS' is a forum for all sports lovers to prove their mettle in various track and field events. The school felicitates all super achievers in the "SUPER ACHIEVERS' AWARD CEREMONY".

DAV Public School, Bistupur always aspires for new goals each year and puts its best foot forward to work in the same till the goals are reached. The school is proud to have provided the foundation to many of the alumni to build successful careers and more importantly to become worthy global citizens.

सीवीएसडि रिजल्ट

A group of approximately ten students are posing for a photo outdoors. They are arranged in two rows, with some standing and some sitting or kneeling in front. Most of the students are smiling and making peace signs with their hands. They are dressed in casual clothing like t-shirts, sweaters, and jeans. The background shows a grassy area and a green banner with some text, though it is partially obscured.
